Seventh-day Adventist News

Lewis A. Stout, Pastor

Sabbath School at 9:30 A. M.

Worship Service, at 11 O'clock.

Week of Prayer, November 11-18.

An appeal has come from the International headquarters of the Seventh-day Adventists denomination, of Washington, D. C., for the Appomattox Adventist Church to participate in a world week of prayer.

The members will gather each evening in the homes of different members, at 7:30, and concern their prayers with the following 3 points: (1) that God hold in check the disasters presently threatening the nations; (2) that his presence be with Christians in lands where religious persecution exists; (3) that there be in each individual a revival of that "primitive godliness" experienced by Christ's disciples.

Experience is what those who need it most never have.

You cannot expect success if it depends upon the failure of others.

Play safe — Drive carefully.

Health is something that is appreciated by those who need it most.

...vult advertising your business, ...and you invite your business to ...quit.

Appomattox is a growing town.

The body will remain at the Robinson Funeral Home until one hour before the services.

Governments are not apt to exceed the collective wisdom of the voters.

A main decision in many business offices is what to throw away now.

Walk in love. (Eph. 5:2).

We cannot force love through sympathy or a feeling of duty. The love of God that is expressed through us is expressed through all His children, but it must be freely given.
